Re: United States v. Ernest Washington  
20 Cr. 69 (GHW)

Dear Judge Woods:

On August 25, 2022, Your Honor sentenced Mr. Washington to a term of imprisonment of ninety months, following his plea of guilty to charges of participating in a narcotics conspiracy and possessing a firearm in connection with the narcotics conspiracy. At the time of sentencing, I advised Your Honor that Mr. Washington needed medical attention and requested that the Court issue a Medical Order directing the MDC to provide medical assistance to Mr. Washington. The Court declined to enter an Order, but directed the Government to contact the MDC and ask that Mr. Washington be seen by the medical staff forthwith. I spoke to Mr. Washington this morning and regret to inform the Court that he has not yet received any medical attention and the problem that he has been having has gotten worse. Accordingly, I am renewing my request that the Court enter an order directing the MDC to provide Mr. Washington with immediate medical attention and to advise the Court, in writing, an update on his medical status by no later than September 9, 2022.

Thank you in advance for your consideration of this request.

Respectfully submitted,

Avraham C. Moskowitz
